Eligibility Requirements
> High school senior currently participating in ACE Cleveland
> Minimum 2.0 Cumulative Grade Point Average
> Minimum of 80% attendance and active participation in ACE program
> Plans to enroll in a full-time undergraduate course of study at an accredited two or four year public or non-profit college, university, vocational school in 2023-2024 or plans to enter an apprenticeship trade program

Application Requirements
> Complete the ACE Mentor Program/College Now Scholarship Application
> High School Transcript
> ACT/SAT Scores (optional)
> Two recommendation letters are required (at least one from ACE mentor and one from an outside source)
> Interviews with ACE representatives may also be held before selections are made

Obligations
> Participation in the College Now Mentoring Program
> Scholarships are renewable for four years based on maintenance of full-time status and 2.0 GPA*
> Scholarship recipients will be asked to return and participate in future ACE related activities
> GPA requirements may be higher depending on award

Plan ahead and ask your mentors early for a recommendation letter!

Did You Know...
ACE awards more than $100,000 in scholarships each year!

ACE awards are non-restricted and can be used for tuition, room and board or books.

Not sure what your next step is?
Start your journey at Tri-C and then transfer to a 4-year University or start an apprenticeship!

PLUS...THESE COLLEGES CAN Match Your Renewable Scholarship!
